Kordatos Multi-Use Centre

Project #UHjvamVjdDozOTc= - Economic Development

PROJECT AT A GLANCE

Conservation and conversion of heritage retail building into a vibrant multi-use complex.

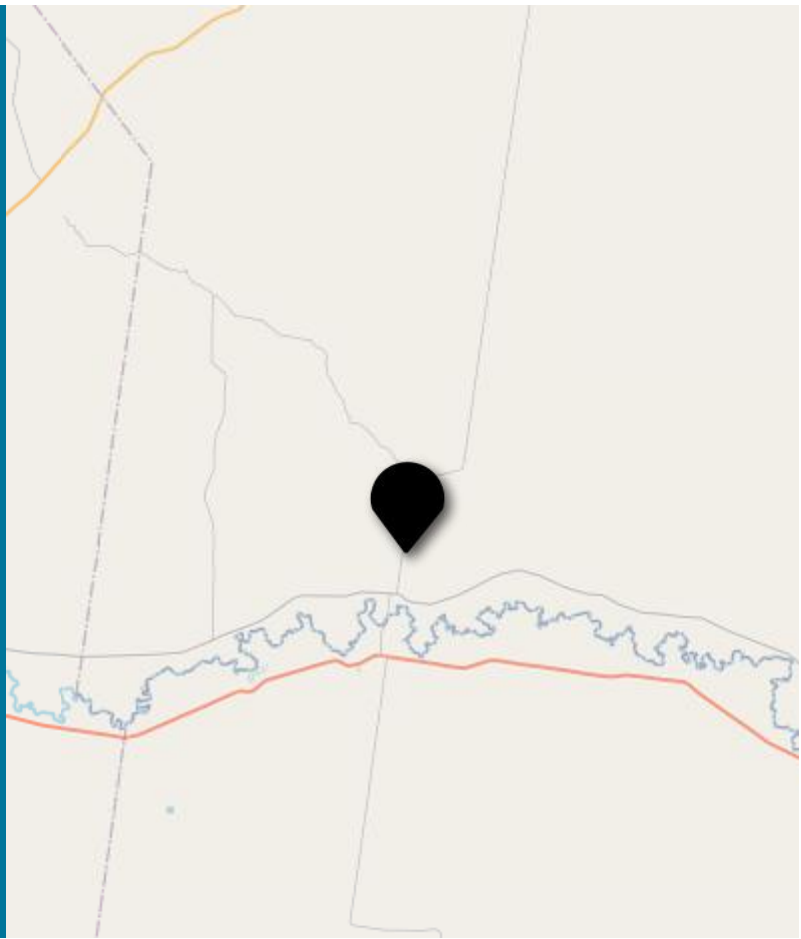

PROJECT BRIEF

This project will provide multi-use opportunities including gallery space, interpretative centre, retail space and short-term meeting venues for commercial users. It will also provide increased tourism through gallery and interpretative centre displays resulting in increased visitation leading to increased retail and accommodation expenditure.
