	<a href="#">Webinar 10 - Leak Monitoring and Leak Detection - 4 Aug 2021 - recording</a>	Recording of webinar
11 – SEPP33 - DPE Presentation	<a href="#">Webinar 11 - SEPP33 - DPE Presentation.pdf</a>	PowerPoint presentation
	<a href="#">Webinar 11 - SEPP33 - DPE Presentation – 22 June 2022 - recording</a>	Recording of Webinar
12 – CLM and UPSS training workshop	<a href="#">Workshop – CLM and UPSS training – presentation.pdf</a>	PDF
	<a href="#">Workshop – CLM and UPSS training – case studies</a>	PowerPoint presentation

Workshops and training delivered under the RAMJO-REROC CRCB project has been made possible with NSW EPA funding, and has been developed in accordance with the NSW EPA grant guidelines. The webinars have been recorded with the sole purpose of providing online training resources to our participating Councils during and beyond the lifetime of this CRCB project. Any of the online training resources is not to be shared outside of council without the signed approval of RAMJO and/or REROC Executive Officers.
