

## TERMS OF USE

All of the content which is on or available from this site, including without limitation all of the information, text, software, trademarks, graphic, photographic, audio and audio visual and other material (Content) cannot be altered or modified in any way. The Content may be viewed on-line and may be reproduced only for your personal reference.

If you are an internet service provider, or an access service provider, you may make the Content available to your subscribers and, for this purpose, make temporary reproductions of the Content. Otherwise, you may not reproduce, transmit, alter modify, republish, frame, distribute or use the Content in any way without the express permission of the Riverina and Murray Joint Organisation (hereinafter referred to as RAMJO) and then only in accordance with its directions from time to time.

All associated logos and trademarks ("the trademarks") are those of their respective registered owners ("the owners"). The display of any of the trademarks on this site does not constitute the grant of any licence or other right to use the trademarks in favour of any third party. Any use of the trademarks without the express consent of the owners is at the risk of the user and is subject to the rights of the owners in them.

### Disclaimer

Whilst RAMJO endeavours to ensure that the information supplied on this website is suitable, accurate and complete, no warranty is given that the material located on this website, or on any other website referred to on this website, is free from omission or error.

The material is intended for general use and information only. Users should exercise their own skill and care with respect to the use of the material at or from this website.

Accordingly, RAMJO, its officers, employees, servants and agents, expressly disclaim all liability for any act done, or admission made in reliance on such material, and any consequences of such act or omission.

Information required for operational or commercial purposes must be checked against the original sources. Contact RAMJO for more information, or obtain the appropriate RAMJO publications.
